Directions to the Farm from the M4, coming from London, Bristol or the West Country. For journey planning, it is approximately 35 minutes onwards from Bristol.

Mileage	Directions
	Leave the M4 at junction 21 and join the M48. Cross the "Old" Severn Bridge <i>(Note that the two Severn Crossing bridges are toll bridges and £4.80 in cash is required as the toll for a private cars (including caravans and trailers) as you travel from England to Wales. Larger vehicles are charged more. Credit cards or cheques are not accepted. (There is no charge on the return journey eastbound)</i>
Zero	Immediately at the end of the Severn bridge, leave the M48 motorway at Junction 2 signed Chepstow.
	Turn right at the exit roundabout, along the A 466 towards Chepstow, and continue up the hill towards Chepstow until you reach the traffic roundabout
1 mile	Go straight over the island signposted Monmouth. Continue on the A466
½ mile	Straight over the traffic lights
½ mile	Pass the Mitsubishi car dealers on the left hand side. Turn left at the roundabout opposite the main gates to Chepstow racecourse, signed Devauden and Trellech, along the B4293
4 ½ miles	Pass through Itton. In Devauden, at the village green, give way to traffic from the right, and continue on the B4293 signed Trellech
3 ½ miles	Pass through Trellech village, round the sharp left hand bend, then the sharp right hand bend, past the post office on the right side, and 20 yards on turn left signed Cwmcарvan
1 ½ miles	Climb steadily uphill for 1½ miles, and right turn signed Cwmcарvan.
¾ mile	Descend downhill, through a densely wooded stretch, past the Croes Robert nature reserve. As the road steepens and opens from the trees, KEEP STRAIGHT ON at the fork, signed Pennyclawd and Llangovan. Do not take the right fork signed Cwmcарvan.
1/3 mile	Werngochen is the first entrance on the right

We can be found on www.streetmap.co.uk or the other internet mapping services using the postcode NP25 4PL. The arrow is not quite over the property as we share a postcode. Otherwise we are grid reference SO 472 066 on the Landranger sheet 161, or co-ordinates 51 45 24 N 02 45 57 W using chart datum WGS72, which can be input into your car GPS system, or other mapping devices.
